# TRAVEL MAKES LIFE WORTH LIVING

Travel isn't a luxury. It's a necessity. And Apple Vacations puts it in reach.

When we explore new places, we discover parts of ourselves we never knew existed. We take on fresh perspectives. Find inspiration. Rediscover connections.

A well-planned vacation forces us to disconnect from our busy schedules—and then tap into what really matters. Whether bonding with loved ones or getting away on a solo adventure, traveling lets us live for the moment with every snapshot, story, and memory collected.

*Travel speaks to the heart and makes us feel alive.*

That's why we're bringing you our Travelogue, a digital catalog experience that makes planning that perfect vacation even easier and more authentic. This customizable guide takes you on a tour of our most incredible sights, services, and places to stay. Browse excursions that speak to you and hotels that scream, "Come visit me!"

We want to be there as you step off a plane and into the tropical air. We want to see you smile wide as you splash headfirst into turquoise waves or build a sandcastle on golden shores. We want you to experience the very best with your vacation—starting right here from these pages.

Because Apple Vacations wants you to travel like you live: to the fullest.

# WELCOME TO MEXICO

Awe-inspiring resorts, set on powdery sands on sprawling coastlines. Darling coastal villages, where *fútbol* is played by youngsters on the same streets the greatest European conquistadors and Aztec, Incan, and Mayan warriors once strode; where old traditions live on, tortillas are still handmade, chocolate is served spiced, and Mayan and Nahuatl languages flow like the rivers that run through the country's jungle.

These are only some of the lasting impressions made by the United Mexican States, the tenth most populated country in the world. Featuring a landscape that offers sugar-white beaches, cinnamon deserts, and cities both forgotten and remembered in between, it's no wonder that so many Americans come here each year in search of paradise.

They head south to feel the kiss of the sun on their skin and the whisper of clear water at their feet. The rush of warm air as they zip through lush rainforests, countered by the crisp coolness of a refreshing cenote. The taste of pestle-ground guacamole, filling tamales, savory barbacoa, or heavenly carnitas, spiced with fresh chiles and tempered with a cornucopia of tropical fruit and mild cheeses.

From the Sea of Cortez to the Yucatan Peninsula, and the Gulf of Mexico to the Pacific Ocean, the magic of Mexico awaits, each destination eager to make its own lasting impression.

# CANCUN

## A Place Like No Other

One of Mexico's most beloved beach destinations, developed exclusively with tourism in mind, the tip of the Yucatan Peninsula is perhaps the best example of a crowd-pleasing destination on this side of the Americas. The sun worshipper and water lover; historian and adventurer; spa hopper and wildlife explorer; gourmand and gourmet; families with children in tow, empty nesters, and couples in every stage of love ... there truly is something for everyone in this slice of paradise along the Caribbean Sea.

At the heart of the action lies Cancun, a seven-shaped strip of stunning resorts set on 14 miles of bright white, crushed coral beaches, and host to millions of visitors each year. Divided into the popular and lively Hotel Zone, Downtown Cancun, and the Ecological Reserve, golf, snorkeling, scuba diving, wind surfing, water skiing, sailing, deep sea fishing, and jungle tour opportunities all tempt loungers to leave the sugary sand, no matter in which region they set up their chairs.
